Certified Professional Alternative Medicine Programme (CPAM™)

INTRODUCTION

Homeopathy medicine is a form of alternative medicine first defined by Samuel Hahnemann in the 18th century. Homeopathic practitioners contend that an ill person can be treated using a substance that can produce, in a healthy person, symptoms similar to those of the illness. Homeopathy medicines gives alternative solution for people to maintain their health In Malaysia, the occurrences of non-communicable diseases such as obesity, cardiovascular diseases, hypertension, cancers and diabetes mellitus have increased drastically in the recent years. Thus, there is an urgent need for the country to generate more man powers and professionals in the area of alternative medicine.
